b	Tree Removal and/or mitigation fees	
1	Protected or quality trees	\$100/caliper inch dbh
2	Secondary trees	\$25/caliper inch dbh

**TARRANT COUNTY FINAL PLAT RECORDING FEE**

In addition to the City's application fee, Tarrant County also charges a recording fee and is subject to change. Contact Benbrook Planning Staff or Tarrant County for up to date recording fees.

**PUBLIC IMPROVEMENTS CONSTRUCTION**

**REQUIRED PUBLIC IMPROVEMENTS**

The landowner/developer of a piece of property being platted must pay 100-percent (100%) of the costs for constructing streets, drainage, street lights, sidewalks and other public improvements within the subdivision. In addition, the developer may be required to pay for a portion of the adjacent street improvements if it is contiguous to the subdivision.

**PUBLIC IMPROVEMENTS INSPECTION FEES**

In addition to the construction cost, the developer is required to pay an inspection fee of two-percent (2%) of the construction cost, plus any overtime required. The developer is required to pay for all required construction testing as well.

**EROSION CONTROL DEPOSIT**

Prior to approval of the grading permit, the developer shall submit an Erosion Control Plan for approval by the City and shall pay an erosion control deposit to the City in the amount of one hundred dollars (\$100.00) per lot for Single-Family Residential Subdivisions or two hundred dollars (\$200.00) per acre for Multi-Family Residential and Non-Residential Subdivision.

**SIDEWALK SURETY**

In lieu of construction of all sidewalks, the developer may provide the City with financial assurance (payment bond, letter of credit) from his bank for 20-percent (20%) of the sidewalk development cost. If at the end of four years from acceptance of the subdivision, sidewalks are not complete, the developer will be required to complete all sidewalks.
