ACCESSORY BUILDING PERMIT APPLICATION

BUILDING INSPECTIONS

SUBMITTAL CHECKLIST

The City has in effect the 2018 International Residential Code (IRC) and 2018 International Energy Conservation Code (IECC). Please refer to this code for preparation of your plans.

Please allow minimum of (10) working days for review.

The permit becomes null and void if work or construction authorized is not commenced within 180 days or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

Plans larger than 11" x 17" will not be accepted.

***SUBMIT (2) COPIES OF THE FOLLOWING:**

- ❑ **Building Plans**
 - Elevations- showing proposed material
 - Floor plan
 - Roof plan- showing proposed material
 - Framing plan
 - Electrical plan

- ❑ **Site Plan**
 - Must show individual square foot measurements for the footprint of the house, footprint of accessory buildings, and driveways/ parking areas.
 - Must show location of building on property and measurement to property lines from building.

- ❑ **Energy Plans** **Required for Conditioned Space**
 - Accompanied with chosen path documents

- ❑ **Engineered Foundation Letter** **Required for Additions 500 sf or larger**
 - Must state the foundation was designed to the 2018 International Residential Code and the specific soil conditions.
 - Sealed and signed by a professional engineer.

- ❑ **Engineered Foundation Plan** **Required for Additions 500 sf or larger**
 - Sealed and signed by same professional engineer as letter.
