

### **Interments, Disinterment & Reinterment**

Only licensed funeral directors may perform interments, disinterment or reinterment. Permits are required for each, and they must be obtained AT LEAST twenty-four hours in advance. The city is not liable for the accuracy of information received through a funeral director. All interments, disinterments and reinterments must be in accordance with state law. No more than two interments are allowable within a single grave space.
